

Fall has arrived here in Harrison, Maine with brilliant colors, frosty nights, and with the awareness that the holiday season is just around the corner. Our expert cutters are gearing up for your gift giving needs! Remember that our website: www.elmspuzzles.com always contains a vast inventory of beautiful art work beyond what our catalog offers.

*2009 has been a year that has found everyone taking stock in what is important. We have had so much feedback from our customers regarding the way our puzzles make their minds, their fingers, and their spirits work a bit quicker and that brings them joy and laughter around a table with children, grandchildren and friends at home or on vacation. Other customers talk of the peace of mind a puzzle brings them as they recuperate through an illness or tough time. The memories shared around a **custom** ELMS Puzzle also create fun new ones.*

Time spent with our jigsaw puzzles allows different generations to spend family time together. Our puzzles engage your senses, they are wonderful to handle, and there is something so satisfying about the weight of each piece, the awareness of completing a beautiful picture that at first seems daunting but quickly becomes a happy addiction.

*Our **Rental Club**, information and benefits included on page 7 of this catalog, becomes another perfect gift giving idea that's affordable. So whether you order a puzzle for a holiday, a thank you, birthday or anniversary gift or just as a treasure for yourself, you will be enthralled with the experience.*

Order early for the holidays. Take advantage of our personalized service...we are here to meet your puzzling needs! Give us a call at 1-800-353-3567 or email us at lisa@elmspuzzles.com.
