

CALAVERITAS

CALAVERITAS®

Existe una tradición mejicana que habla acerca del 1 de Noviembre...

El día de los muertos.

En torno a la muerte se han desarrollado toda una serie de ritos y tradiciones ya sea para venerarla, honrarla, espantarla e incluso para burlarse de ella.

Calaveritas representa las ganas de pasárselo de miedo, incluso en la otra vida.

There's a Mexican tradition who talks about November Thelst...

The day of the dead.

They have developed a lot of rituals and traditions concerning death, either to worship her, honor her, frighten her and even to mock her.

Calaveritas represents the desire to have some frightening fun, even in the other life.
